> Looking for a size, colour or front design that is not shown here? Send a drawing or reference photo - custom sizes, RAL / Pantone finishes and private-label packaging are all available.

Colour & finish

MADE TO MATCH

Shown finishes are a starting point. RAL / Pantone matching and custom veined solid surface tops are available on request.

Matte White
#F2F0EB

Off-White
#ECE7DD

Navy Blue
#2F3F5C

Slate Blue
#6B7F91

Khaki Matte
#B3A98B

Oak
#C8A678

Blush Pink
#E6C9C4

Cabinet fronts: painted, veneer, laminate, fluted or Shaker. Top & basin: acrylic solid surface in matte, honed or gloss. Renewable matte surfaces can be sanded and refinished on site - a practical advantage for hospitality and multi-family projects.

01
Send your brief
Drawings, BOQ, sizes or a reference photo.

02
Spec review
Engineering checks dimensions and finish.

03

What we customise

- Dimensions, depths, apron heights and site cutouts
- RAL / Pantone colour matching and custom veining
- Curved basins, integrated double bowls, seamless ramps
- Laser-engraved logos, badges and private-label cartons
- Drop-tested cartons, foam protection, export palletisation
- Knock-down or assembled packing, per your logistics

Why one supplier

- Cabinet, top and basin produced and matched together
- One drawing set, one approval sample, one schedule
- 21 years of solid surface manufacturing

> Need a spec sheet for a tender or a project submittal? Send the product list and we will return a filled-in specification sheet with dimensions, packing data and compliance documents.

REQUEST A QUOTATION

Let's price your next vanity order.

Shortlist the item codes you like, or send your own drawings and BOQ. We reply with specifications, MOQ, lead time and a project-specific quotation.
